## History Program

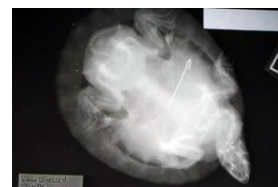

***Currumbin Wildlife Sanctuary is one of Queensland's oldest tourist parks with a rich history of creating wonderful memories for many Australians. Established in 1947 by our founder Alex Griffiths, our park is able to offer excellent history lessons to share information about its foundation and growth over the years.***

### What's involved?

As part of your History Booking, we will send you "A Man of Vision" DVD to show to your students in your classroom as a pre-visit activity. This 20 minute documentary is a biography of Alex Griffiths and reveals a story about his life, his foresight and passion for animals. Then, when you visit Currumbin Wildlife Sanctuary, our education officers will deliver a PowerPoint education lesson to your students which highlight historical photos, maps and engagement with the local community. Students are given a worksheet to complete which relates to the presentation.

### Behind The Scenes- Add \$6.00 per person

Visit our food preparation area and see what we feed our animals, visit our new Wildlife Hospital and have a close encounter with one of our wildlife success stories (subject to availability).

### Sustainability Tour
