

Dear Parents &/or Caregivers,

Thank you for your interest in Currumbin Wildlife Sanctuary's Green Challenge Thrill Seekers Program. This action packed, thrilling holiday activity has been designed for fun, fitness and team building, including the extreme ropes course, Surf World and Green Challenge.

With high Tarzan swings and a giant flying fox, the Green Challenge will test the agility and daring of anyone who takes on the course. It allows them to weave their way through the eucalypt and rainforest canopy, taking children higher and further into the spectacular natural setting. Children will work up an appetite and luckily food is all inclusive! Children will relax after their busy schedule with the opportunity to visit Surf world and meet some creepy crawlies before heading home

Please read the following very carefully. Currumbin Wildlife Sanctuary staff will do their very best to ensure the safety of your child. We aim to provide your child with a safe working environment. All staff possess relevant qualifications and first-aid officers are readily available on site.
