Prepare yourself for the all-new Green Challenge

Currumbin Wildlife Sanctuary's all-new, exhilarating treetops ropes course – the Green Challenge – is bigger and even more exciting than ever before. The Green Challenge, presented in association with Adventure Parc, is the newest nature-based adventure experience for the Gold Coast.

Sixty-five challenges, over four separate courses, weave their way through the eucalypt and rainforest canopy, taking visitors higher and further into the spectacular natural setting.

The Green Challenge is based on the Adventure Parc concept, which takes elements of SAS commando training delivered as safe, fun and exciting treetops ropes courses for children and adults.

The new Currumbin courses are like no other – surrounded by native wildlife, combined with world-class wildlife displays and shows located just a short walk from one of Australia's best beaches.

The four courses include two beginners' courses, one intermediate course and the Extreme Green Challenge – an advanced course designed to offer the ultimate challenge for participants.

With high Tarzan swings and a giant flying fox, the Green Challenge will test the agility and daring of anyone who takes on the course.

Each of the Green Challenge courses has been designed for children and adults alike for family fun, fitness and team building (children must reach 160cm from heels to palm to enter the Beginners' and Intermediate Course and 180 cm for the advanced course). All necessary equipment and a safety briefing are provided for each participant, ensuring a safe, fun and exhilarating experience.

Media friendly images of Green Challenge are now available for download from our media resources section on the website. http://www.cws.org.au/getcloser/about_us/media_resources/image_library/ or contact Shirley Kwan – Product & Promotions Manager at skwan@cws.org.au to arrange a site visit or photo shoot.
